SKILLS

- Strong communication and collaboration skills, with the ability to work as part of a team and independently.
- Ability to research and implement new technologies in specialty or related areas.
- Ability to consult with clients and higher level technicians and analysts to resolve technical problems and ensure customer satisfaction.
- Engaged in continuous improvement of internal processes and procedures.
- Ability to interact with customers to discuss alternative technical solutions.
- Ability to learn quickly and adapt to new circumstances.
- Proven aptitude to quickly and effectively adapt to technologies outside of current experience.

EXPERIENCE

Operations Assistant | *Your Safety Net* | **2022-Present**
Manage coordination for patient transport to and from medical appointments. Handle all billing entries. Oversee a team of 15 drivers and communicate all daily operational information.

Domestic Engineer | *Rheinheimer Family* | **2017 - 2022**
Managed multiple schedules for a household with two adults and five children. Created daily routines. Established household budgets for utilities, food, and necessities. Balanced caregiving and homeschooling duties with continued home improvement work.

Master Welder | *Becket Fabrication* | **2012 - 2016**
Experienced MIG welder. Supervised a team and reviewed incoming projects. Adhered to all safety practices. Interpreted design by accurately taking/reading measurements to plan layout and welding procedures.

Owner | *Rheinheimer Home Improvement* | **2008 - Present**
Custom home design from excavation to complete design and finish work. Impeccable attention to detail and ability to strategically plan whole house design and builds as well as small renovation projects.
